

## **Military Chaplaincy**

WHEREAS we recognize our responsibility to the men serving in the Armed Forces of our country in meeting their spiritual needs through the avenue of the military chaplaincy; and

WHEREAS we take this opportunity of commending our chaplains of the General Association of Regular Baptist Churches who have distinguished themselves as faithful servants of God in proclaiming the gospel of Christ in various areas and segments of military life, at times beyond the call of duty, yet in keeping with their high calling; and

WHEREAS we recognize and express our profound appreciation for the full cooperation of the Chief of Chaplains of the United States of the United States Army, United States Air Force, and United States Navy with our Chaplaincy Commission in the procurement of chaplains from among our constituency and for their assistance and counsel;

The messengers of the General Association of Regular Baptist Churches, meeting in annual session the 29th of June, 1967, express themselves with thanksgiving to God by this resolution.
