

## **The President and Vietnam**

We the messengers to the 41st Annual Conference of the General Association of Regular Baptist Churches, meeting in San Diego, California, June 27, 1972, go on record as commending and encouraging the President of the United States in his firm stand against Communism in Vietnam. We recognize his earnest and thorough attempts to bring peace through negotiations and commend him for his courage in his military decisions when negotiations failed. We join with him in prayer for the protection of our troops remaining in Vietnam, for the immediate release of our prisoners of war, and for a just end to the present conflict.
