

Homosexuality Is Sin (Romans 1:26–28)

WHEREAS God's Word teaches that women should not change the natural use of their bodies into that which is against nature and that men should not leave the natural use of the woman to burn in their lust one toward another, men with men working that which is unseemly; and

WHEREAS those who indulge in homosexuality do not like to retain God in their knowledge; and

WHEREAS innocent people, especially children and youth, are often led into such harmful and shameful practices;

BE IT RESOLVED that we, the messengers of the churches in fellowship with the General Association of Regular Baptist Churches, meeting in annual session at Des Moines, Iowa, June 27–July 1, 1977, oppose and condemn all homosexuality and urge all who practice such things to repent and come to Christ for cleansing; and

BE IT FURTHER RESOLVED that we compliment Miss Anita Bryant for her fight against Gay Rights and send a copy of this resolution to the Florida Citrus Commission.
