

Pornography

It is said of man that "as he thinketh in his heart, so is he".

INASMUCH as the above is true; and

INASMUCH as pornography is a very lucrative business; and

INASMUCH as we are admonished by God to think upon those things which are pure, honest, just, lovely, and virtuous; and

INASMUCH as good men sometimes lose their employment when publishers and printers, hitherto noble, turn to the printing of filth; and

INASMUCH as the producers of pornography have stooped to the low level of using children for what is called "kiddy porn";

THEREFORE BE IT RESOLVED that we, the messengers of the churches in fellowship with the General Association of Regular Baptist Churches, meeting in annual session at Des Moines, Iowa, June 27–July 1, 1977, declare ourselves in opposition to pornography, that we urge our lawmakers to go back to legislation that protects the citizen against such pollution of the mind, and that we encourage and urge publishers and printers to refuse contracts which involve the printing of filth.
