

## **Dr. Paul N. Tassell**

WHEREAS Dr. Paul N. Tassell has been chosen by the General Association of Regular Baptists to serve as its National Representative; and

WHEREAS the task lying before Dr. Tassell is monumental in size, and national in scope; and

WHEREAS the problems of compromise, lethargy, theological error, inefficiency, inaccuracy, and self-gratification are ever present; and

WHEREAS the challenges of evangelism, church planting, education, pastoring, training, publication, fellowship, and great preaching are worldwide objectives of our Fellowship, of which Dr. Tassell is now National Representative; and

WHEREAS the Word of God has admonished us to pray for our leaders and faithfully support them as they labor;

THEREFORE BE IT RESOLVED that we, the messengers of the churches at the 48th Annual Conference of the General Baptist Churches, meeting in Dayton, Ohio, June 25–29, 1979, do commend him to the grace of God, and shall pray fervently for him that he may have purity of life, power of leadership, clarity of purpose, compassion of heart, communication skills and convictions consistent with God's Word and the stated purposes of the GARBC; and

BE IT FURTHER RESOLVED that we will encourage, support, and assist him and his family as they assume these new responsibilities.
